## BUTTER IS WEAK

There is a Regular Poultry Famine in Portland.

While California Fruits and Vegetables Have Been About Cleared Up, Several More Carloads Are Expected Tomorrow.

Butter continues weak and several front street firms have already dropped 2 cents per pound on the fancy creamery brands and are accepting 30 cents a pound. All the fruit and vegetables received by the last steamer have been cleaned up and the market is empty, but several carloads are expected by the California steamer tomorrow. Eggs remain the same.
